Stamp Duty Land Tax (on purchase) – this will be based on the purchase price and will also depend on other factors such as whether you or any co-purchaser own or have owned any other properties

anywhere in the world or have any interest in another property, whether you are a first time buyer and qualify for relief, whether you are selling your main home and replacing it with the one you are buying etc. You can calculate the amount you will need to pay by using [HMRC's website](#) or if the property is located in Wales [by using the Welsh Revenue Authority's website here..](#)

How long will my purchase take?

How long it will take from your offer being accepted until you can move in to your house will depend on a number of factors. The average process takes between 6-8 weeks.

It can be quicker or slower, depending on the parties in the chain. For example, if you are a first time buyer, purchasing a new build property ready to move into with a mortgage in principle already agreed, it could take 4-6 weeks. However, if you are buying a leasehold property that requires an extension of the lease, this can take significantly longer. In such a situation additional charges would apply.

Stages of the process

The precise stages involved in the purchase of a residential property vary according to the circumstances. However, below we have suggested some key stages, including:

- Take your instructions and give you initial advice
- Check finances are in place to fund purchase and contact lender's solicitors if needed
- Receive and advise on contract documents
- Carry out searches
- Obtain further planning/building regulations documentation if required
- Make any necessary enquiries of seller's solicitor
- Give you advice on all documents and information received
- Go through conditions of mortgage offer with you
- Send final contract to you for signature or attend upon you to go through the documents in readiness for exchange of contracts
- Draft the Transfer Deed
- Advise you on joint ownership
- Obtain pre-completion searches

- Agree completion date (date from which you own the property)
- Exchange contracts and notify you that this has happened
- Arrange for all monies needed to be received from lender and you
- Complete purchase
- Deal with payment of Stamp Duty Land Tax
- Deal with application for registration at Land Registry

\*Our fee assumes that:

- this is a standard transaction and that no unforeseen matters arise including for example (but not limited to) a defect in title which requires remedying prior to completion or the preparation of additional documents ancillary to the main transaction
- this is the assignment of an existing lease and is not the grant of a new lease
- the transaction is concluded in a timely manner and no unforeseen complication arise
- all parties to the transaction are co-operative and there is no unreasonable delay from third parties providing documentation
- no indemnity policies are required. Additional disbursements may apply if indemnity policies are required.
